

# Ghidotti Early College High School

## Math Seminar

### Mrs. Mijares

#### Introduction

Welcome to GECHS's Math Seminar. I am very excited about the coming school year and look forward to supporting your child in his or her pursuit of learning. If you have any questions or concerns please feel free to contact me by e-mail—[rmijares@njuhsd.com](mailto:rmijares@njuhsd.com).

Sincerely,

Rebecca Mijares

#### Course Description

This class provides academic support and enrichment to students concurrently enrolled in a Sierra College math course. By the end of the semester, students will have mastered the appropriate standards outlined by Sierra College, the State of California, and the Nevada Union Joint High School District.

#### Materials

**Required...** *3-Ring Binder w/ Binder Paper, Pencil, Calculator, and Daily Planner*

#### Assignments

Homework assignments will be kept to a minimum while Sierra College classes are in session. When college is on break, students will be given assignments that review or preview important mathematical concepts.

#### Checking College Homework

The Math Seminar classes are fairly large and it's hard for me to keep track of each student's homework. Students should show their parents how to access homework grades on MyMathLab, and parents should check student's progress weekly.

#### Evaluation

Categories	
Daily Effort	35%
College Math Grade	35%
Review and Preview Materials	30%

Grading Scale	
Pass	60%-100%
No Pass	Below 60%

**NOTE: An "F" grade in your college class will result in a "No Pass" in Math Seminar. A withdrawal/drop from a college class will also result in a "No Pass" Math Seminar grade.**

## Procedures & Expectations

## Expectations

### 1. **Prompt**

- Work is turned in on time. Work missed because of an excused absence may be submitted for credit after a period of time proportional to the length of absence.
- The students are in class on time.

### 2. **Prepared**

- All necessary materials (as well as an attitude to learn) are brought to class.
- Errands are taken care of before class.

### 3. **Neat**

- The classroom and desks are kept clean.

### 4. **Respectful**

- Students listen to others when they share in class.
- The property of others is respected.
- Students follow school rules and policies.
