Welcome to Ghidotti Leadership! During this course you will collaborate with fellow students to create a positive learning environment at Ghidotti through planning Ghidotti Games, school dances, movie nights, game nights, and SPARK activities. You will also have the opportunity to create your own meaningful clubs that benefit Ghidotti. Leadership requires critical thinking, problem-solving, and teamwork. You are the leaders of Ghidotti and are expected to act as such!

Grading

The majority of your grade in Leadership will be based upon participation in your chosen clubs. There will also be one project per quarter pertaining to leadership as well as assignments that assess and examine your leadership skills each Friday class. Grades will be posted on Schoology.

Late Policy

Unexcused late work will be given 50% credit. Late work will only be accepted during the quarter in which it was assigned.

Work missed because of an excused absence may be submitted for credit after a period of time proportional to the length of absence.

No-name assignments will be given 75% credit.

Attendance

Prompt daily attendance is expected. All students must be in the classroom and prepared to learn when the bell rings. According to Ghidotti policy, you must attend Saturday School if you have more than 3 tardies during an academic quarter. Additionally, if a student is aware of upcoming absences, it is her/his responsibility to inform your teacher before the absences and arrange make-up or alternative work.

Plagiarism and Cheating

Plagiarism and cheating will not be tolerated. Students caught plagiarizing or cheating will receive an automatic zero on the assignment as well as a referral.

Technology

Chromebooks will be used in class each day. Please see Ghidotti's policy on technology use (provided separately). Cell phones are never allowed during class time. They are to be out of sight and turned off. If a parent or guardian needs to reach you during class, direct them to the Ghidotti office: (530) 274-5270.

Classroom Behavior

I expect the following general behavior of all students:

RESPECT: All students will respect themselves, their community members and their learning environment. Appropriate language will be used in the classroom—no swearing or other offensive remarks will be allowed.

READINESS: All students must attend class everyday and ready to actively participate in daily activities.

RESPONSIBILITY: All students must accept responsibility for themselves and their actions.

is expected at all times!
